101 Montgomery St
Newark, N.J.

Dear Madam,

It is alright for the Newark Eagles to use
Patterson N.J. and we wish that you will be successful
with it.

In reference to the July 4th engagement
with the New York Black Yankees that has been can-
celled thru Nat C. Strong's offices and okayed by
you. We wish to state that the St Louis team has been
offered you as a substitute for us. The situation
is this we will be out West and could not make the
jump back in time and we are scheduled out west
after the 4th also. The Grays have also okayed our
cancellation of the July 6th date at Washington.

However we would like to open with you at
Newark under the New Schedule.

Thanking you for all the nice favors you
have done for the New York Black Yankees,

Yours for a very good year,

JS/nt
